[6th year elementary girl]
The prince of the narcissism land, Amakusa-san, I am an egomaniac too. Shall we construct a land of narcissism together?
[1st year High School Guy]
I like Mitsuru a lot. She's gentle, and even though her makeup is a bit thick, she's a beauty. Even though she's a masochist, she's been working very hard. Mitsuru is the person I respect most at the moment. She is always bullied by classmates poor girl. don't give in Mitsuru! You can do it! Mitsuru!! Higuchi-sensei, please don't let Mitsuru be bullied by others.
[2nd year Middle School girl]

CINDERELLA

M to N no Shouzou

"A Portrait of the Characters"

Abe Mitsuru
Youngest daughter of a rich family. As a side effect of her mother's "Spartan love" - she is a masochistic girl who undergoes sudden switches in personality. (She returns to normal if she faints.)

Amakusa Natsuhiko
In his sickly, lonely childhood, he realized the beauty of "himself". Since then, he has become a chronic narcissist. To avoid losing control in front of others, he wears glasses when he goes out.

Hijiri Eiichi
He's handsome, athletic and has the style of a strategist. Everyone likes him even if his character is a little hard to manage. Meekness dogs.

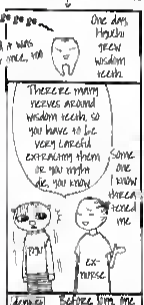
It's an old story, though.



One day, Higuchi grew wisdom teeth.
And it was 2 at once, too
There are many stories around wisdom teeth, so you have to be very careful extracting them or you might die, you know
Some one I know threatened me.

Before long, one of the roots got infected, so it had to be pulled out.
